Any course listed by name that is not checked should be included in your planning for future years.

- * Courses required to earn an SSC Diploma:
- ^ A student must take and pass Religion and complete a Service Program each year of his SSC high school career.
- ^^ Not required for graduation, but recommended for the college-bound student.
- Δ Students in the Class of 2010 need to take the required named courses listed above and a sufficient number of electives to meet the minimum number of credits for graduation. Please consult the Student-Parent Handbook or the Course Description Booklet for the minimum and recommended graduation requirements. (*Not all elective lines will need to be filled in.*)
- Keyboarding and Computer Applications credits are granted for successful completion of Computer Discovery in the 8th Grade.
